Come and have fun with signing through songs, stories and games

Tuesdays 1.30-2.15pm starting April - to be confirmed

Cockermouth Children's Centre, South Street, CA13 9RT

£5 per session

First session is free

Makaton is a language programme using signs and symbols alongside speech. It's used with babies and young children to boost their communication skills and make it easier to get their message across.

These are the signs and symbols used by Mr Tumble in the BBC's Something Special. It's a really useful skill to have when heading off to nursery and school, and is great fun to learn.

Sessions were due to start after the Easter holidays, but will now start when it's safe to do so. If you are interested, please follow me on Facebook for and get in touch with your email so I can keep you updated. Thank you!
